PACER MOPED LIMITED WARRANTY

Each new PACER MOPED is warranted to the initial retail purchaser to be free from defects in material and workmanship for a period of 6 months from the date of purchase or until the Moped has been operated for 2,000 miles, whichever event occurs first. This warranty extends to the replacement of defective parts only, and DOES NOT INCLUDE DEALER LABOR CHARGES.

Coverage under this Limited Warranty is subject to the following conditions:

1. Your Moped must be set-up, delivered and serviced by an Authorized PACER Dealer and the Dealer must perform the 100 and 500 mile check-ups under the Warranty Service Schedule, (see Owner's Manual).
2. The Warranty Registration Card (following page) should be completed and mailed within 10 days of the date of purchase.
3. Your Moped must be operated in accordance with instructions contained in the Owner's Manual especially as these relate to "Fuel/Oil Mixture", "Lubrication" and "Break-In Period".
4. There are certain exclusions to this warranty which are listed overleaf.

This warranty is exclusive and in lieu of any other warranty, express or implied. Any implied warranty of merchantability or fitness beyond the warranty period is disclaimed by PACER MOPED and the Selling Dealer.

THE FOLLOWING EXCLUSIONS RELATE TO THIS LIMITED WARRANTY

1. The warranty is invalidated if the Moped is not operated and maintained according to instructions contained in the Owner's Manual, or if the Moped is used for rental or leasing purposes or if the Moped is used for racing or other abnormal purposes.
2. The warranty does not cover tires, tubes, spark plugs, or light bulbs, nor does it cover normal wear of any part or component or the cost of maintenance services.
3. The warranty does not cover loss due to accident, misuse, driver negligence or use of unsuitable attachments or modifications.
4. The warranty does not cover incidental or consequential damages arising out of loss of use, or otherwise, or the expense of returning a defective or damaged Moped to PACER MOPEL or the Selling Dealer.
5. The warranty is invalidated if repairs are made by anyone other than an Authorized PACER Selling or Service Dealer, or if parts or accessories are used which are not approved by PACER MOPEL.
6. Engine damage caused by use of an improper fuel/oil mixture or improper lubrication is not covered by this warranty.

PACER MOPEL reserves the right to modify or change the Moped design at any time without obligation to similarly modify or change Mopeds previously purchased.
